The diagram shows a cross-section of a building facade with three distinct levels. The ground level is marked at 27.00m. The first floor level is at 28.00m, and the second floor level is at 29.00m. The drawing illustrates the structural components, including columns and beams, and indicates the vertical alignment of various parts of the building. Dimensions are provided for different sections, such as 475.60, 479.35, 475.50, 472.00, 475.25, 474.50, 475.50, and 474.00. A note 'מקורה לפי פרט אור. ברזן' (Height according to vertical dimensioning) is present near the top level. Another note 'מקורה 2.00 מ' (Height 2.00 m) is located between the first and second floors. A large dimension '2 קו"ר' (2 square meters) is indicated for a specific area. The drawing also shows a sloped roofline and a dashed line representing a structural element.
